NEWS RELEASE

Tilaknagar Industries' Mansion House Tops Indian Brandy Charts Again; Ranks Global Number Two by Volume in 2024

Courrier Napoleon Emerges Third-Fastest Growing Brandy, Worldwide

Mumbai, July 01, 2025: Tilaknagar Industries Ltd. (TI) (BSE: 507205 | NSE: TI), a leading Indian-Made Foreign Liquor (IMFL) manufacturer, has announced that its flagship brand, *Mansion House Brandy*, has retained its position as India's largest-selling brandy and the second largest-selling brandy in the world, for the second year in a row. The rankings have been published in 'The Millionaires' Club' report released by international trade journal *Drinks International* in June 2025.

With 7.8 million cases sold in 2024, *Mansion House Brandy* now ranks as the 29th largest brand globally, reaffirming its legacy and international appeal.

Adding to the momentum, *Courrier Napoleon Brandy*, another millionaire brand from TI, has made a powerful mark by becoming the third fastest-growing brandy in the world. With 2.0 million cases sold in 2024 and an impressive 25 per cent year-on-year growth, *Courrier Napoleon Brandy* also ranks 13th among the world's fastest-growing spirits brands, across categories.

Drinks International's 'The Millionaires' Club' report is an annual listing that features alcoholic beverage brands from around the world that register sales volumes in excess of one-million in nine-litre cases.

Mr Amit Dahanukar, Chairman and Managing Director, Tilaknagar Industries said, "It's incredibly rewarding to see *Mansion House Brandy* continue to dominate the brandy landscape both in India and globally. This success is a reflection of the trust our consumers place in us and the consistent effort we've made to elevate Indian spirits. *Courrier Napoleon's* exceptional growth is equally exciting and speaks to the rising global appetite for quality, homegrown brands."

As the undisputed leader in India's brandy space, TI is driving innovation and expanding the category's footprint. The company has introduced contemporary and premium offerings such as *Mansion House Reserve*, *Mansion House Chambers*, and flavoured brandy variants—a first-of-its-kind in the segment. In the luxury space, the company recently launched *Monarch Legacy Edition*, the only 100 per cent pure grape brandy made from Indian and French grape spirits.

Backed by a robust distribution network and a growing footprint in climatically aligned regions such as the East and North-East India, TI is reshaping perceptions around brandy and taking Indian spirits to the world stage.

These global rankings are a testament to TI's vision, deep consumer trust and commitment to excellence across generations.
