Tilaknagar Industries Named Among FinanceAsia's Best Companies in Asia 2026

Leading Indian-Made Foreign Liquor (IMFL) manufacturer, Tilaknagar Industries Limited (TI) (BSE: 507205 | NSE: TI) has been recognised among *Asia's Best Companies 2026* by FinanceAsia. The recognition reflects the company's strong management practices, sustained performance, industry leadership and its continued commitment to excellence.

TI secured a Bronze Medal in the Best Managed Company in India category and a Silver Medal in the Best Managed Company in India (Consumer Staples) category, placing it among the top-performing companies in the country.

In the rankings, the company is recognised alongside leading corporates including Reliance Industries Ltd and Tata Steel Ltd. In the consumer staples category, Tilaknagar Industries is ranked among top companies including Tata Consumer Products Ltd and Patanjali Foods Ltd.

The Asia's Best Companies awards organized by FinanceAsia are regarded as a highly recommended benchmark of corporate excellence in Asia. The annual rankings are determined through nominations and voting by influential investors and financial analysts, who identify publicly listed companies demonstrating strong performance and sector leadership.

Tilaknagar Industries is home to two of India's most iconic brandy brands — Mansion House and Courier Napoleon. According to the 'The Millionaires' Club 2025' published by Drinks International, Mansion House ranked as India's largest-selling brandy and the second largest-selling brandy globally in 2024. The brand also achieved a significant milestone in FY26, surpassing 10 million cases in annual sales.

Courier Napoleon, the other millionaire brandy from TI, has also garnered global recognition, emerging as the third fastest-growing brandy in the world in 2024, as per the same report.

Recently, TI acquired the Imperial Blue whisky (IB) from Pernod Ricard India Private Limited. IB is the third-largest whisky brand in India by volume, selling approximately 22.4 million nine-litre cases for the year-ended March 2025 across India and other markets.

With a view to preserve environment and promote healthy communities around its ecosystem, TI has adopted a triple bottom line approach focusing on People, Planet and Profit. The Company has embraced the United Nations (UN) Millennium Development Goals (MDG) and directs its efforts towards Poverty Reduction, Health, Education and Environment Conservation through its implementing agency Shrimati Malati Dahanukar Trust (SMDT).

The FinanceAsia recognition reinforces Tilaknagar Industries' position as an emerging institution on India's industrial landscape, reflecting its continued focus on operational excellence, disciplined growth and long-term value creation.

The Company also has a strong presence across Rum and Gin through Madiraa Rum & Blue Lagoon Gin. Further, with a strong focus on premiumization, 'House of TI' – the Company's luxury vertical – is anchored by Monarch Legacy Edition, its first luxury brandy, and Seven Islands Pure Malt Whisky, an Indo-Scottish premium whisky.
